

Mount Rushmore Hunting Retriever Club

Membership Application

“Our Hunting Season Never Closes!”

“Conceived By Hunters For Hunters”

Both a philosophy and a reality of the Hunting Retriever Club (HRC)

HRC tests the retriever in true-to-life hunting scenarios. You and your retriever will hunt to the gun. Your retriever is judged against a standard, not dog against dog. Successful retrievers will be awarded Hunting Retriever Championship points for various titles, based on ability.

MRHRC is 100% volunteer driven. We currently hold a Hunt Test annually near Custer, SD.

Please volunteer!
The success of our club and our hunt tests depends on our members.

HRC, Inc. (our parent Org.) Purposes:

Formed to give hunters realistic tests for their dogs.

Committed to working toward breeding and training of better retrievers that will be an asset in the field.

Educates hunters about safety in the field, training retrievers and better hunting skills.

Supports protection of wild game birds through controlled hunts and conservation/management techniques

Works to help preserve the right to bear arms, hunt, and to breed and promote the retriever breed of their choice
